

## Fancier registered datestamps and handstamps

Some towns used oval registered datestamps, and these come in various shapes, sometimes cogged or doubled; double circles were also used infrequently. These were largely left over from the early twentieth century, but persisted into the 1960s. A few offices used fancy registration handstamps that were either simply an R, or more elaborate ones allowing space for the registration number.

Sussex (NB), small double oval, 1913. Rated 5¢ registration and 2¢ domestic.

Truro (NS), elongated double oval, 1913.

**Rated** 5¢ registration and triple 2¢ domestic, attached to a larger parcel.

An odd shape.

Bothwell (ON), 1940. Rated 10¢ registration and 3¢ domestic.

Prince Albert cogged oval, returned from Arborfield (SK), 1915. Rated 5¢ registration & 2¢ domestic. Arborfield and New Osgood (sk) broken circles on reverse.

House of Assembly (Toronto) oval, 1918. Rated 5¢ reg'n, 2¢ domestic, and 1¢ war tax, paid with coils. House of Assembly machine; H of A duplex on reverse.

# Straightline registered datestamp

Only known from a handful of offices.

*Prince Albert–Melfort (SK), returned to sender 1919.* Also with two *different* Prince Albert double circle rubber hammers (indicating dates of despatch and return a month later). **Rated** 5¢ registration, 2¢ domestic, and 1¢ war tax.

Two strikes of the Dominion Lands Office dater, *not* a post office device.

Melfort straightline is in turquoise; double circle is in redder shade than on the front.
